Dear Mr. Suski:

There has apparently arisen some confusion about the willingness of Ivy to accept new contracts from Campus Media, Inc., due to the amount outstanding to us, as confirmed by Miss Cattier's letter of July 15, 1970. I would like to clear up this confusion by outlining the conditions under which we will accept new business, as of this date.

We desire a letter of agreement, signed by you and notarized, authorizing the Ivy Network Corp. to proceed against the assets of Thaddeus Suski Productions, Inc. in the case of default of payments on the aforesaid debt. This letter should specify that you, as an officer of TSP, assume the debt for the corporation.

Upon receipt of this letter, we will lift our moratorium on acceptances unless and until such time as the weekly payments of $200. from Campus to Ivy shall be interrupted. Should this happen, the ban shall be reinstated, and we shall consider our alternatives on collection.

It is my sincere hope that this situation will not arise, and that we may maintain a mutually profitable relationship. Thank you for your help in achieving this goal.

Cordially,

William Bates, III
President
